NO PICKUP

Follow-up

Day 1 — Lead Comes In

Instant SMS (within 1 minute of lead submitting):

> "Hi [Name], thanks for your enquiry with Neptune — I'll give you a call shortly. — Steve"

Call Attempt 1 (within 15 minutes): If no pickup, leave it — don't voicemail yet, save that for later.

Call Attempt 2 (1-2 hours later, different time of day): If no pickup:

Text Message 1 (immediately after Call Attempt 2):

> "Hi [Name], it's Steve from Neptune Filtration — tried calling about your enquiry. No worries if you're flat out, just let me know what time suits and I'll call back. Thanks!"

Day 2 — Still No Contact

Call Attempt 3 (morning): If no pickup:

Call Attempt 4 (afternoon/evening — different window than Attempt 3): If no pickup, leave a voicemail this time:

Voicemail Script:

> "Hey [Name], it's Steve from Neptune Filtration. Just following up on your enquiry about the water filtration — give me a call back when you get a chance, or I'll send you a text as well. Speak soon."

Text Message 2 (right after the voicemail):

> "Hi [Name], it's Steve from Neptune Filtration. I've been trying to get in touch over the last couple of days regarding your enquiry. Just wondering when would be a good time for a quick chat? Thanks!"
